

# A Casino Night with Swish Events\*

## What can Swish offer you for a Casino Night?

Our best selling event of 2010 is ready to become our best seller ever!

We can offer you Roulette, Blackjack, Poker, Baccarat, Craps and Money Wheels. If you can find it in a Casino you can have it at your event. All of our tables are of the highest quality and casino sized and offering you a truly realistic experience with fully trained and experienced Casino croupiers to further enhance your Casino experience. We also use **full size** 32 inch Roulette Wheels, the same you would experience at any Casino.

As these are our most popular nights and hence we have a lot of experience in running them, we can advise you what would work best for the size of the function. However, if you have a very specific idea in what you want then we can simply deliver as per your brief. 20 people or 1000, we have the resources to deliver everything without the reliance on any third parties. These are great options for Fundraisers too.

**We believe** our prices offer the best value of anyone offering similar products simply because we do so many other events that we can afford to be very competitive.

You have everything for **three hours of playing time**. That is the dealers, all of the chips and accessories such as card shoes, discard holders etc. We guarantee to be set up before your event starts so that the guests get the wow factor as soon as they enter your function.

Then due to the resources we have available as an Event Management company we can provide you with a variety of theming options from large playing cards and dice lights through to themed large foil balloons and everything in-between. And to finish off the Casino Night Experience we can offer you a host/MC, lighting, latest PA systems for music and Showgirls! And the beauty is that as everything is coming from the one place (us) you will save even more as there are no additional delivery charges. However if all you want is the tables then that is fine by us!

And finally what do you do if you want an even **better deal**? Simply go to the **packages area of our website** and there you will see a list of packages combining our tables and our props for a discounted package rate.

**So why should you choose Swish Events above anyone else to do your Casino Night? Well words are easy and can be crafted to make anything sound plausible but we believe we have three distinct advantages which are based on factors beyond our own opinions:**

**Firstly** we are nationally accredited to three industry associations. Three associations that guarantee quality, credibility and professionalism. You wouldn't book a holiday through a travel agent that wasn't accredited so why would you book a Casino Night the same way? Especially when some of these events come in at a lot more than most holidays!!

**Secondly** we are multi award winning with National Awards, where we are competing against companies across Australia. Infact, we have won a major award in every year of us being in operation. We were even featured and interviewed on Sky Business Channel due to our achievements (which can be viewed on the home page on this site)

**Thirdly** and most importantly we have both corporate and private clients across the board who constantly come back to us. So not just prepared to write a testimonial, but come back to us year after year to ensure they and their clients have the same high quality experience. Infact 72% of our business in 2010 was from repeat business!

In summary, this is a **Complete Casino Night Service** that also represents outstanding value.

We are all about Reliability and Professionalism and delivering on what we Promise. Lots of people have similar claims, but our reputation, client list and national multi award winning status speaks for itself.

Please email [richard@swishevents.com.au](mailto:richard@swishevents.com.au) for a fully detailed quote and pricing structure or **[send us an enquiry form](#)**. Do not miss out.
