

# KITCHEN WARS

The team that won the Most Innovative Event Award in 2007 for their product "The Futuristic Olympics" brings you their latest ground breaking event.

Are you looking for something unique, up to date and exciting?

Are your team, friends or colleagues budding Masterchefs?

Part Cooking Challenges, Part Quiz, Part Cooking and of course Part Eating this event has it all! Even if you can't boil an egg, trained chefs are on hand to assist you!

Do you want your Kitchen to Rule?

You get to eat what the other teams cook and score them accordingly, (but be fair as they will be doing the same for you) and eventually we end up with the Champions.

Based on a minimum of 20 people per booking and limited to only one booking per night (around Australia) this is a very strictly limited event, but one that is current and memorable!
