

HAVE YOUR OWN ULTIMATE SURVIVOR

Isn't it time to get your team OUT of that conference room or office?

Based on the television series 'Survivor', tribes will battle it out to be crowned the Ultimate Survivor; a fun filled experience which will be enjoyed by everyone. With trees and bushland surrounding this rugged remote location, the tribes will genuinely feel cut off from their everyday environments.

Competing in activities that will test their individual strengths and weaknesses, tribes will work together to complete each task given to them. Challenges can range from endurance activities such as paintball, to problem solving activities such as the blind folded puzzle test and many more; all of which are tailor made to your brief. All of the challenges will incorporate team work but most of all are fun!

At the end of each mission tribe members will attend tribal council. This is where tribe members vote secretly, explaining why they have voted the way they did. After all Challenges are complete, we will tally the scores for each round and then we will announce the title of the Ultimate Survivor
