

HAVE YOUR OWN ADVENTURE RACE

Perfect for any size group, anytime, anywhere.

The Adventure Race is a fun outdoors event where teams have to make their way to a location (sometimes having to work out a clue to get there) and then complete a task when they get there. Once that task has been completed they then go to the next location, complete a task and so on until they reach the finish. What we do is make the most of our surroundings and depending on the location of the start and finish will adapt and tailor the race accordingly. So NO TWO RACES are the same.

- We tailor this race to suit your group (start and end where you want)
- Great team building/ Bonding activity with a great competitive edge.
- With so many tasks, everyone gets to use their strengths and be involved.
- A different and unique event that will keep people talking for weeks
- Gets people out and about rather than stuck in the same room.

Trophies or prizes will be given to the top two teams for the day.
