

HAVE YOUR OWN HOSTAGE RESCUE

Imagine being at a dinner the doors fly open in come elite soldiers and kidnap one of your guests...

Police are called and in uniform come into the room and make the peace and the night begins. What follows are codes, clues, video messages from the kidnappers and a variety of challenges to assist the teams in finding the hostage.

Each round tests a variety of skills and as each round is only 10-15 minutes long, everyone will find something during the event that appeals to them

- Tailored to suit most budgets
- Team can work together as one group or be split up into smaller groups for large groups.
- The level of difficult can be determined by the client and tailored to suit.
- Trophies or prizes awarded to the team/ teams that solve the hostage drama.

As you can see this really does get EVERYONE involved and gives them something exciting to stimulate their minds for half a day, a full day or during a dinner.
