

# HAVE YOUR OWN KITCHEN WARS

Are you or your team Master Chefs?

Does your Kitchen Rule? It is time to find out! The company that won an award in 2007 for the most Innovative Event of the Year is back with a whole new concept, combining an exciting team-building event with a fun interactive function.

Taking you to a Commercial Kitchen Space we will split you into teams and then get teams to:

- Cook entrees for their fellow competitors with assistance of a chef
- Complete a series of cooking challenges
- Cook mains for their fellow competitors with your chef
- Complete cooking quizzes and taste tests

Teams rotate, so everyone does everything and whether you can only boil an egg or if you can cook a gourmet delight, this activity has everyone working together to their strengths. If you want something topical, unique and with guaranteed enjoyment, you should definately try Kitchen Wars.
