

# HAVE YOUR OWN RACE NIGHT

Imagine having a Horse racing event bought to you in the comfort of your own venue, function room or conference area, regardless of the time of day or year.

Actual races, proper horses and riders on a real course filmed especially for this type of event so no one can possibly know the results. The races and horses are only numbered which means that you can also have fun naming the races and individuals at the function or event to give it a truly personal feel.

How it works:

- Name the race horses for the event.
- On the night every attendee will own a horse
- Funny Money issued to make your bets
- Cheer your horse on
- Collect your winnings

The person with the most amount of money at the end of the race night will win a prize or trophy. Then add in fashions on the field and the fact that you don't have to wait three hours at the bar for a watered down drink and you have the perfect day or night out!
